

LIMENTE POWER SUPPLY

silver | 24 V | 45W | connection cables
Product code: LED30045

Sauna DALI Power Supply

The LIMENTE 24V SAUNA DALI power supply provides a functional solution for implementing and controlling sauna lighting. The SAUNA DALI power supply has a compact design, making it easy to conceal, for example, inside furniture outside the sauna (temperature resistance +60). The IP rating is IP67. The power supplies are equipped with connection cables for fixed installation and comprehensive protection against various fault situations.

Dimming and lighting control

By adjusting the lighting, you can always customize the lighting and create lighting that suits your home in any situation. By dimming LIMENTE lights, you can change the home lighting from efficient and bright to dim and cozy. The lights adjust evenly and at the same time, changing the atmosphere of the entire space at once.
