Silgranit rock grey

Product code 10211

Product description

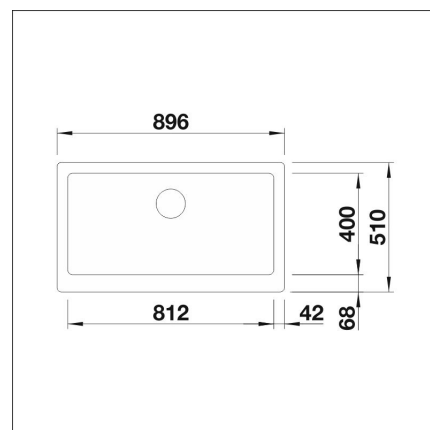

Classic design combined with modern SILGRANIT material make the BLANCO VINTERA XL 9 sink an eye-catcher in the kitchen. The design of the sink is reminiscent of a classic and traditional farmhouse sink, but the features of the sink have been brought to the present day. The material is the unique, almost scratch-resistant SILGRANIT stone mass developed by Blanco, which is heat-resistant, retains its color and is easy to clean. The patent-protected SILGRANIT material combines ease of care, practicality and durability.
