

BLANCO ELON XL 6 S

Product code 10730399

Product description

Small space - High efficiency

BlancoElon is a compact and innovative single-bowl sink that has movable stainless steel drainer grid, which ingeniously extends the working area. Drainer grid is a standard accessory that is included into the price. Silgranit® as a material is a durable combination of granite that has nearly unsurpassed scratch resistance and is heat-resistant. Material is hygienic and easy to clean.

Technical information

- Sink cabin min. length: 60 cm
- Sink installation method: Over mounted
- Sink color: Silgranit® sand
