

BLANCO PLEON 6 SPLIT

Silgranit white

Product code 110702**Product description**

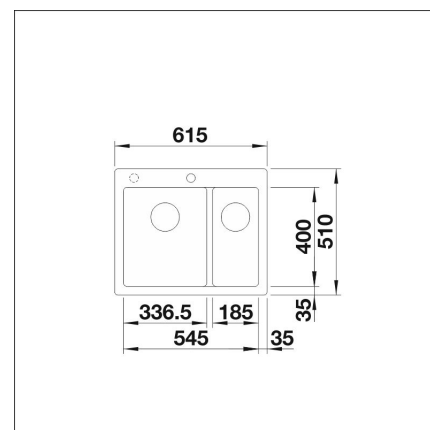

The three-level functionality makes the BLANCO PLEON SPLIT sink a desirable kitchen assistant, combining a one- and a half-sink sink. The very spacious sink is divided by a low wall into two smaller sinks, which enables the sink to be used in three different ways. Timelessly stylish, straight-line design. The material is the unique, almost scratch-resistant SILGRANIT stone mass developed by BLANCO, which is heat-resistant, retains its color and is easy to clean.
