

## BLANCO ETAGON 6

Ceramic black

### Product code 111520

#### Product description

Practicality that makes everyday life easier on three working levels. The multifunctional rails that come as standard with the sink increase functionality. Thanks to the ingenious intermediate level and the standard Etagon rails included in the sink, the sink has three separate working levels: one at the bottom of the sink, another on the intermediate level and the third on top of the sink. With these levels, you can always work optimally in the sink, regardless of the size or shape of the dishes you use.
