

## BLANCO PALONA 6

Ceramic basalt

### Product code 11823

#### Product description

The elegantly designed, spacious BLANCO PALONA basin fits perfectly into a modern kitchen. Its deeper than usual basin makes it easier to take care of chores and you can easily rinse even a large pot in it. The sink material is smooth and hygienic stone ceramic. Stone ceramic basins are traditional handmade mass basins with a very hard and silky shiny surface. Thanks to the thickness of the material, the sinks are quiet and pleasant to use.
