Ceramic kristall white

**Product code 132915****Product description**

A stylish and timeless sink model that fits both modern and traditional kitchens. The depth of the sink (190 mm) and the small corner rounding make the sink practical and easy to keep clean. The sink material is smooth and hygienic stone ceramic. Stone ceramic basins are traditional handmade mass basins with a very hard and silky shiny surface. Thanks to the thickness of the material, the sinks are quiet and pleasant to use.
