

BLANCO QUATO 400-U

Stainless steel 18/10

Product code 1552U

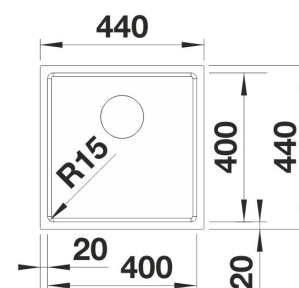

Product description

The Blanco Quato is an affordable undermount sink that combines modern design with generous proportions. The small corner roundings and substantial depth of 190 mm make it large and spacious, which is a perfect choice for many types of kitchens. The details have been meticulously refined – the stylish CoverFlow overflow with the BLANCO logo, positioned in the center of the rear section, gives the sink a sophisticated, finished look.
