

LAPETEK LINA 20-A

anthracite dishwasher valve

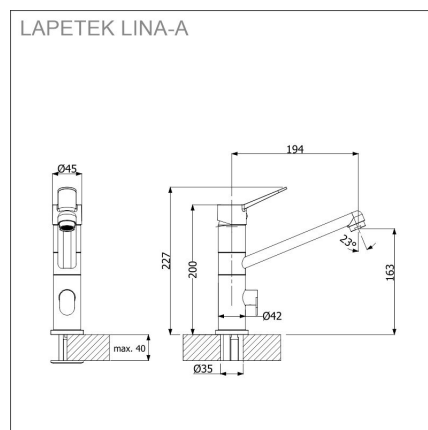

Product code 210109A

Product description

The LAPETEK LINA-A faucet is a timelessly stylish novelty in the faucet market, which with its beautiful design emphasizes the look of the kitchen both more traditional and more modern styles. The design of the faucet is more traditional, but with a modern finish. Available in classic clear chrome or a stylish modern almost black anthracite shade, which goes especially well with BLANCO Silgranit anthrazit sinks. Both faucet shades go well with other silgranit shades too, so you can choose from several different color combinations from which you can choose the...
