

LAPETEK ROUND-A anthracite dishwasher valve

Product code 21209A

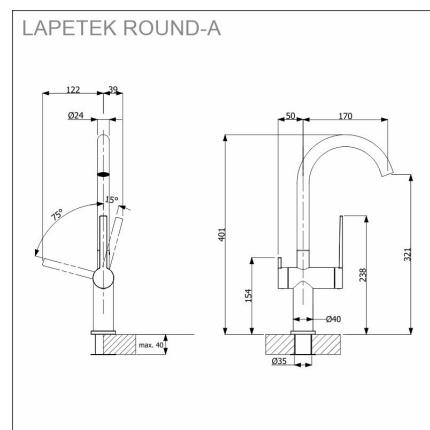

Product description

The modern design of the LAPETEK ROUND-A faucet series is reflected in every detail, and the faucets blend elegantly into both modern and more traditional kitchens. In addition to harmonious design, practicality has also been taken into account at all stages of the design. The soft-moving high operating lever is not only modern-looking but also very easy to use, and the high spout of the faucet allows even large pots and pans to be easily washed under the faucet.

The modern round faucet gives a touch of luxury to any kitchen. The Silgranit anthracite (black)...
