

LAPETEK LINO-A

soft white dishwasher valve

Product code 21307A

Product description

A stylish, modern and practical faucet for every kitchen. The smooth-moving, high operating lever is not only modern-looking but also very easy to use, and the spout enables effortless washing of even large dishes under the tap. The APK connection is elegantly placed under the spout of the faucet. The EKO aerator supplied with the faucet reduces water consumption and reduces splashes from the bottom of the pool. The LINO faucet has Finnish type approval.
