

**LAPETEK LINO-A**

rock gray dishwasher valve

**Product code 21311A****Product description**

The modern design of the LAPETEK LINO-A faucet series is reflected in every detail, and the faucets blend elegantly into both modern and more traditional kitchens. In addition to harmonious design, practicality has also been taken into account at all stages of the design. The soft-moving high operating lever is not only modern-looking but also very easy to use, and the high spout of the faucet allows even large pots and pans to be easily washed under the faucet. The angle of the spout of the faucet is designed so that the water hits the pool at an optimal angle,...
