

POP-UP KNOB

LATO satin gold

Product code 216058**Product description**

The stylish Lato remote control knob is now available in a brass tone. The brass-colored remote control knob brings a wonderful detail to the kitchen interior. By combining the brass details with, for example, a black, gray or white Silgranit sink or rst sink, you create an interesting contrast in the kitchen. The brass-toned Lato remote control knob visible on top of the counter has a timeless round design.
