

LAPETEK LINO-SA

chrome dishwasher valve

Product code 21931SA

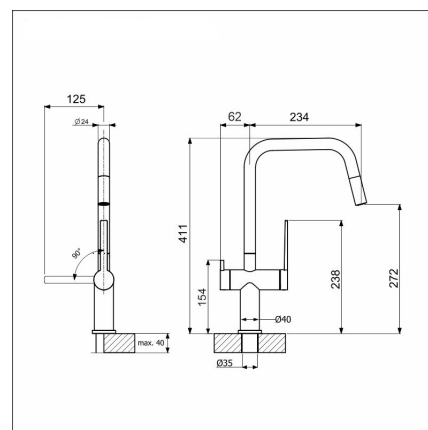

Product description

The stylish design of the LAPETEK LINO-SA faucet series can be seen in every detail, and the faucets blend elegantly into both modern and more traditional kitchens. Small details, such as the pull-out shower head in the color of the faucet, indicate a high-quality finish. The smooth-moving, high operating lever is not only modern-looking but also very easy to use, and the high spout of the faucet combined with the pull-out shower head enables effortless washing of even large pots under the faucet. Supply hoses that are longer than normal make installation easier,...
