

LAPETEK LINOPIN-SA

black/brass dishwasher valve

Product code 22052SA

Product description

The pull-out shower head increases functionality at the pool point and the faucet's range increases when the head of the shower can be pulled out and it can be moved freely in the pool. The conveniently movable shower head of the faucet enables water to be supplied to every corner of the basin and to fill large containers or pots even on the work surface.
