

BLANCO SUBLINE 500-U

Silgranit champagner

Product code 22301

Product description

FLUSHMOUNT Silgranit sink

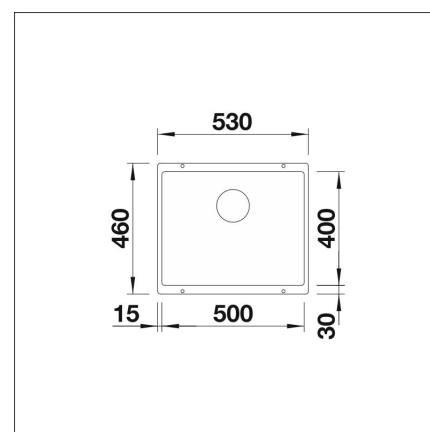

Undermount Subline sinks can now be installed as a flushmount and it fits together well with different counter top materials and colors. Silgranit as a material is a durable combination of 80% granite that has nearly unsurpassed scratch resistance and is heat-resistant. Thanks to excellent material properties the color of the sink does not fade and it is both hygienic and easy to clean.
