

BLANCO SUBLINE 700-U LEVEL

Silgranit alumetallic

Product code 22700**Product description**

The BLANCO SUBLINE sink family includes a wide range of sinks of different sizes and colors, which can be used either alone or combined together. For example, you can place two sinks side by side, either in the same size or in two different sizes. The versatile range of colors suits many tastes and styles seamlessly, and in addition to the traditionally popular black and anthracite, different shades of warm tones like soft white and volcano grey are becoming more and more popular. SUBLINE sink models are available as undermounted (-U after the product name) and...
