

## BLANCO LUKA 5

Composite black

### Product code 2770

#### Product description

A simple and timeless sink model designed in Finland for the kitchen or utility room. The clear lines of the edge and design is suitable for a wide variety of styles. A deep and spacious sink and versatile accessories make the sink user-friendly. The ideal sink dimension allows you to move the sink laterally, which makes installing it in the sink cabinet particularly effortless. Installation has also been made easier by placing the overflow on the right side of the faucet.
