

SAND WAVES

porcelain black 385x385x165 mm

Product code 3113

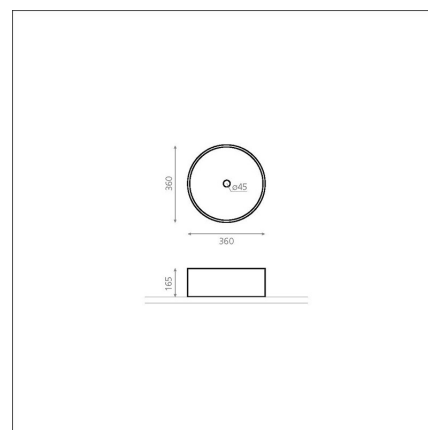

Product description

Sand Waves is a stylish countertop bathroom washbasin. The elegant wave pattern on the exterior surface gives the washbasin a soft and sophisticated look. The countertop-mounted washbasin is available in white and black in three shapes: round, square, and rectangular. The faucet is placed on the countertop next to the washbasin. The washbasin is made of high-quality porcelain. The product is delivered without a drain and P-trap. The washbasin model does not have an overflow protection.
