

BLANCO CLARON DARK STEEL 500-IF

Stainless steel 18/10

Product code 3473IF**Product description**

Blanco Dark Steel is a stylishly minimalist sink model with an eye-catching dark grey surface. The stylish appearance of the pool is emphasized by its high-quality and uncoated stainless steel. Unlike other colored stainless steel sinks, which usually have a PVD coating, the black color in Dark Steel sinks is part of the steel itself. Therefore, it does not wear off in the same way as the color on PVD sinks does. The sink and the Infino drain valve blend seamlessly together.
