

SELECT BOTTON PRO 45 MANUAL

2 x 13 l bins

Product code 400359

Product description

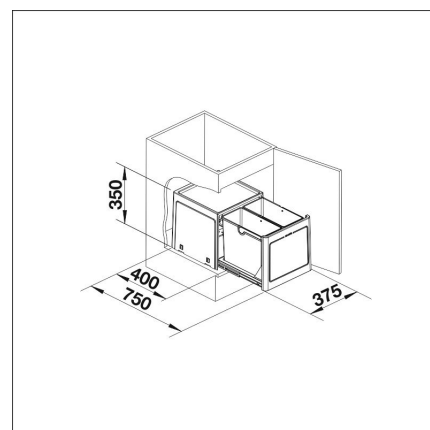

A sustainable and stylish waste separation solution

Easy and fast to install. Available options are a Bottom Pro 45 (the cabinet has to be at least 45 cm) with 2 buckets and a Bottom Pro 60 (the cabinet has to be at least 45 cm) with 3 buckets.

Both models are available in both as a manual and an automatic version. In the automatic the opening mechanism is attached to the cabinet door and the cart comes out
