

## FLEXON II 60/3 XL

30 l + 2 x 8 l bins

### Product code 401785

#### Product description

A high-quality waste mechanism for installation in a drawer unit. The Blanco Flexon, which requires only six screws for installation, is attached to the bottom of an existing drawer unit and the door connected to it. The waste bins installed in the Flexon II frame are sturdy and can withstand even heavier waste. Its ergonomic and stylish design makes Flexon a practical sorting center.
