4 x 8 l bins

Product code 411756

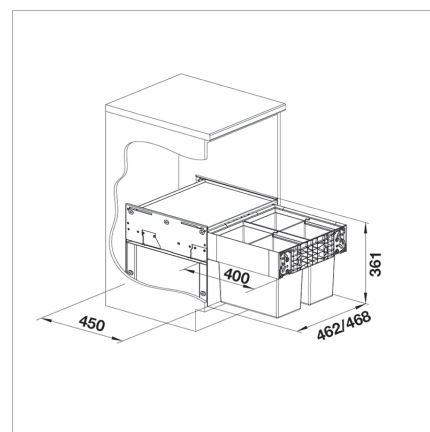

Product description

In Blanco Select II waste systems, the ease of waste sorting has been taken into account. The versatile bucket options, ranging from two to seven different waste categories, provide a solution for all types of sorting needs. Additional space for accessories or smaller waste items like batteries, detergents, etc., is available by choosing the Select Orga model with an upper basket. Equip your waste bin to your preference with a variety of accessories. Options include different sizes of buckets, regular and bio lids, plastic bag holders, and opening mechanisms that...
