FOLDABLE GRID
(Blanco) matt black

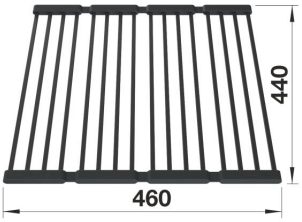

Product code 418847

Product description

Versatile accessories make everyday kitchen tasks easier and therefore more efficient. The new foldable matt black roll-up mat is a convenient accessory for the kitchen sink. The foldable roll-up mat over the kitchen sink offers countless possibilities for use. A dish, saucepan or bowl can be placed on it for filling with water, or dishes can be placed on it to dry either over the sink or on the worktop instead of using a dish rack.

Thanks to the stainless steel material, the mat withstands heat well, and hot pans or saucepans can be placed on it without...
