CLARON RAILS
platinum (2 pieces)

Product code 418848

Product description

Suitable for Claron Durinox sinks. Includes 2 pcs.

There are two rails, and they can be placed side by side or on top of each other either on the sink's intermediate level or on the worktop.

- fit perfectly to the shape of the sink
- sturdy and easy to move
- stainless steel
- heat resistant up to 180 °C
- dishwasher safe
- stackable

Technical information

When placed in the sink, the rails form an intermediate level for dishes. When food is not being prepared, the rails can be placed on top of each other and used, for example, as a storage place for a dishcloth. On the...
