

SIMPLE 60

wall black/gold

Product code 431091

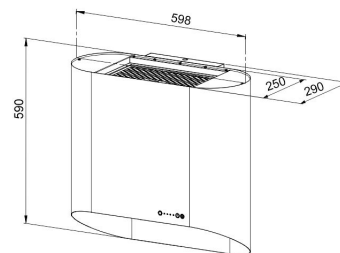

Product description

SIMPLE is a new gesture control kitchen hood. You don't need to touch the device, as a simple hand movement is enough to turn the kitchen hood on and off, change the operating mode and adjust the lighting. This way you avoid stains on the surface of the kitchen hood caused by hand contact during cooking. You can also use the remote control that comes with the cooker hood. An ecological washable Long Life active carbon filter is available as an accessory for the kitchen hood.
