

MONO-V

90 cm island black/black

Product code 431136

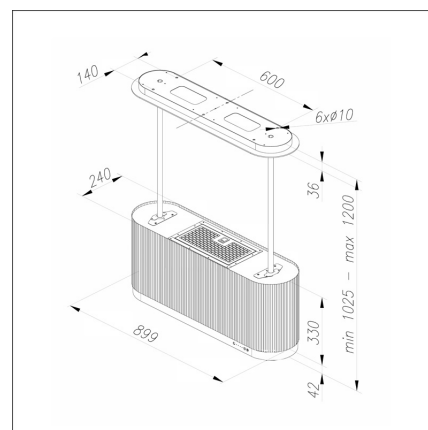

Product description

MONO-V is a new gesture control kitchen hood. You don't need to touch the device, as a simple hand movement is enough to turn the kitchen hood on and off, change the operating mode and adjust the lighting. This way you avoid stains on the surface of the kitchen hood caused by hand contact during cooking. You can also use the remote control that comes with the cooker hood. The kitchen hood also comes with an ecological washable Long Life activated carbon filter.
