

FLUO-V

38cm island light beige/gloss

Product code 431174

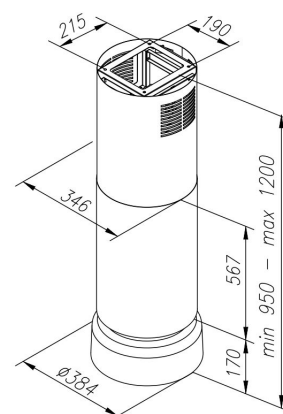

Product description

The Fluo-V cooker hood collection combines striking lighting design, innovative technology, and practical features. This pendant light-inspired cooker hood beautifully complements both trendy and classic kitchen styles. There's no need to touch the device; a simple hand motion is enough to turn the cooker hood on and off, change its operating mode, and adjust the lighting. An ecological washable Long Life active carbon filter is available as an accessory for the kitchen hood.
