

LAPETEK FLEX 60 X2

60 cm (AC) built-in s/s

Product code 561ACX2

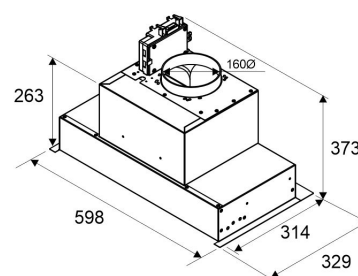

Product description

LAPETEK FLEX-X cooker hood to be installed in the cabinet. The fan is easy to use from the slide-out control cap and has Soft Touch buttons. FLEX-X hoods are used directly to remove steam forming in the kitchen, as well as for ventilation carried out with a top vacuum cleaner, not for controlling ventilation machines.
