

LAPETEK APOLLO-V

38 cm island stainless steel

Product code 57010

Product description

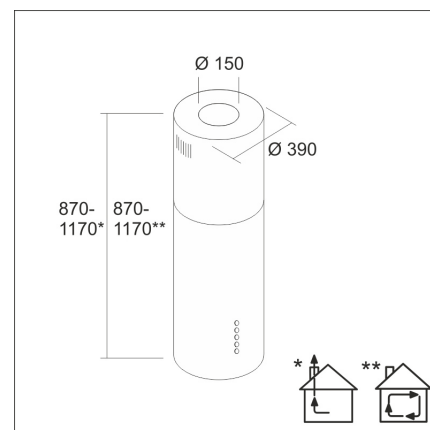

The high-quality and easy-to-use cooker hood is easy and comfortable to use, but still, stylish and suitable for the kitchen as a part of the interior. The new LAPETEK APOLLO-V is a timelessly elegant cooker hood with a further improved appearance and technical features. The suction area that covers the entire lower part and the perimeter suction technology together with the more efficient suction power guarantee a good ability to remove steam. Available in white, stainless steel and black.

The round shape is very trendy and blends in stylishly either a small...
