

LAPETEK FLEX 60

60 cm built-in stainless steel

Product code 57015

Product description

Trendy and stylish LAPETEK FLEX cooker hood to be installed in the cabinet. Easy to use Soft Touch buttons from the turning slide-out and remote control. Efficient and dimmable LED lights, easy-to-clean grease and easy-to-change active carbon filter. LAPETEK FLEX can be installed as two suction systems: extraction or recycling using an active carbon filter (active carbon filter must be ordered separately). An ecological washable Long Life active carbon filter is available as an additional accessory.
