LAPETEK TREKK 60

60 cm built in model black/ss-rail

Product code 57049

Product description

A stylish LAPETEK TREKK cooker hood to be installed in the cabinet that only shows a stylish lid. LAPETEK TREKK can be installed as two suction systems: extraction or recycling using an active carbon filter (active carbon filter must be ordered separately). The appliance starts by pulling out the telescopic lid. Powerful lights come on at the on / off light switch and the position of the lid does not affect the on / off of the lights. An ecological washable Long Life active carbon filter is available as an additional accessory.
