

TORINO

porcelain shiny white 510x380x175 mm

Product code 8260

Product description

An undermount sink is a stylish choice for your bathroom. An undermount sink creates a beautiful and functional unit when combined with a countertop of your choice, providing additional space for a faucet and other bathroom accessories. The smooth and glossy surface of the porcelain sink gives your bathroom a modern and timeless look. The product is delivered without a drain and P-trap. Sink model does not include an overflow protection.
