

ALICANTE

porcelain white

Product code 8295

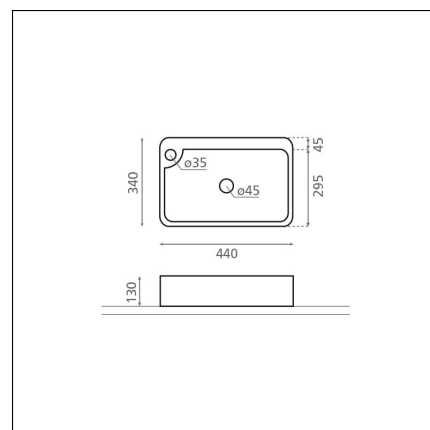

Product description

A vessel sink is an elegant addition to bathroom space and fits beautifully into Nordic interior design. In the vessel sink collection, there are different-shaped models available for installation on the countertop or wall. The shape and color of the sink always add personality to the space and increase visual interest. The sinks come with a faucet hole but do not include an overflow. The product is delivered without a drain and P-trap. Please note that the sink model does not include an overflow protection.
