stone beige

Product code 8310

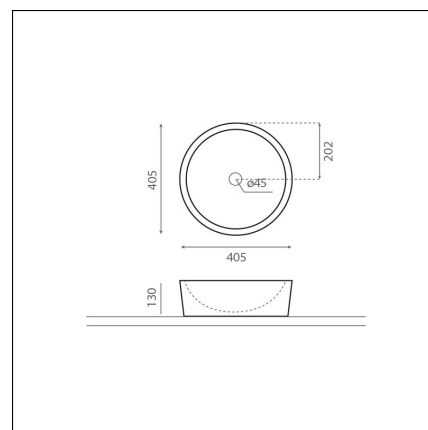

Product description

A stone sink enhances the spa-like atmosphere. The rough surface of the stone creates a beautiful contrast to the bathroom. The sink's material is stone, and each sink's surface color and patterns formed by natural stone are always unique. If multiple sinks are intended to be placed side by side, please specify this at the time of ordering so that the factory can select pieces that best match each other. The product is delivered without a drain valve and trap. Sink model does not have an overflow protection.
