porcelain blue 370x370x170 mm

Product code 8586**Product description**

A vessel sink is an elegant addition to bathroom spaces. Its shape enhances the spa-like atmosphere and adds softness alongside hard surfaces. The basin-shaped washbasin stands out from traditional sink offerings due to its depth and shape. It is installed on top of the countertop, and the faucet can be installed either next to or behind the sink. Additionally, placing a vessel sink in the bathroom saves space and is easy to keep clean.
