

CUSCO

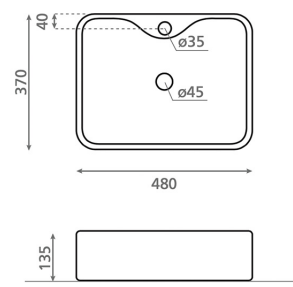

porcelain white 480x370x135 mm

Product code 8620**Product description**

A vessel washbasin is a stylish and modern choice that brings a spa-like atmosphere to any bathroom. The rectangular design with rounded edges creates a thoughtful and sophisticated look while adding softness to the hard surfaces of the room. The washbasin includes a faucet hole, making installation effortless and giving the overall look a finished feel. The product is delivered without a drain and P-trap. Please note that the washbasin model does not include an overflow protection.
