BLANCO ELON XL 6 S
Silgranit Inset sink

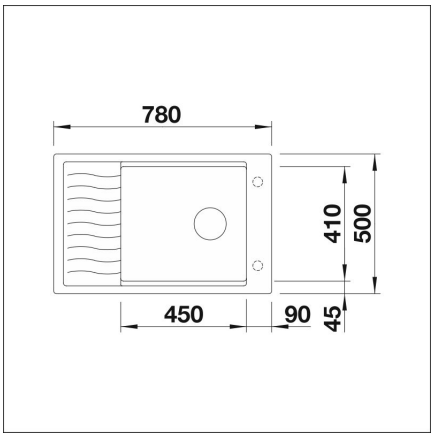

Product code ELON6S

Product description

The product's drain system was updated to the InFino drain system in 2019.
The rather large XL-sized sink and draining surface make Elon a practical sink center. In addition to the large sink, the size of the draining surface can also be conveniently doubled. The space needed for drying dishes or pots on top of the sink can be expanded with a stylish draining rack. The faucet rim is positioned on the side, allowing for ideal installation even under a window. The sink can be installed as left- or right-handed. The modern, wave-like design of the sink and draining...
