Thin conceateable light profile

LIMENTE Zircon-profile light has a sleek design and is easy and swift to install. It is installed in a row with integrated connectors, which have equally spaced light points. By using matte finish goggles you can prevent seeing the bright dots from showing on the lights.

The dots distances from each other have been measured to give a good working light. LIMENTE Zircon is designed for kitchen spaces, bookshelves etc. to give off a smooth and pleasant shade of light.

Dimming / power input

LIMENTE ZIRCON dimmer has three standard dimmer levels. The dimming does gradually brighter/dimmer 0 % --> 20 % --> 60 % -- 100 %.
