

## LED-LENO 32

24 V | white | 4,2 W | 330 lm

Product code: 62832S1

### A modern furniture light fixture

LIMENTE LED-LENO 32 is a beautiful, traditional light fixture with an unobtrusive design. The light is wide-spread and pleasant, which makes LED-LENO 32 an excellent choice for a kitchen workspace, in showcases and on shelves. Due to its oblique outlines, the fixture appears even more graceful and petite, which makes it perfect in any space, where you do not want to draw any excess attention to light fixtures.

All LIMENTE LED-LENO fixtures use a new technique, which makes the light provided even and excellent in color temperature. This generates optimal light and is easy and pleasant on the eyes. Due to their amazing luminosity, the fixtures can be placed up to 60-80cm apart! When the fixtures are placed on both sides of the cooker hood, you are able to receive excellent lighting to your cooktop.

### Dimming and lighting control

Appropriate lighting for any occasion is made easy with our dimming and lighting control system. You can easily change the lighting and ambience in your home from efficient and bright to dim and cosy by dimming your LIMENTE LED-LENO 32 with our wireless system. You can use the same switch to adjust all the LIMENTE lights in the room, including various ceiling, panel and profile lights. The light adjusts smoothly at the same time while creating ambience for working, entertaining or any mood in between.
