

SLIM

4000 K | aluminium | 3 W | 1500 lm/m

Product code: 629013

An extendable profile light

LIMENTE SLIM is a versatile lighting system that allows you to custom design and build your own lighting system. The fixture is available in color temperatures of 3000K and 4000K and allows you to build unified lighting, where corners are also illuminated. The SLIM is well suited for a kitchen workspace, a showcase, inside a wardrobe, for store shelves and any space, where stylish, uniform and efficient lighting is desired. The LIMENTE SLIM system is available in sections of 10, 20, 30, 50 and 100 cm lengths. Don't forget the 90-degree corner pieces and the flexible corner pieces available!

Dimming and lighting control

Appropriate lighting for any occasion is made easy with our dimming and lighting control system. You can easily change the lighting and ambience in your home from efficient and bright to dim and cozy by dimming your LIMENTE SLIM 4000K with our wireless system. You can use the same switch to adjust all the LIMENTE lights in the room, including various ceiling, panel and profile lights. The light adjusts smoothly at the same time while creating ambience for working, entertaining or any mood in between.
