

LUNA-2

socket | stainless steel | incl. switch

Product code: 631581

A double power socket with a separate controllable socket

LIMENTE LUNA-2 is designed for kitchen workspaces. The power socket can also be used to control the lighting in the kitchen workspace! LIMENTE LUNA-2 is quick and easy to install, and due to its design, the socket suits every type of lighting.

The power socket has an oblique design, which makes it easy to use. You are always able to clearly see the angle in which plugs are to be connected in the sockets. This way the sockets are always on hand and available!

Color choices

LIMENTE LUNA-2 is available in three different colors: stainless steel, white, and black.

Installation

Determine the place, where the power supply will be imported, or use an existing power supply cable. The socket must be installed in a corner ensuring the back sides of the socket do not remain open to exposure. The mounting takes place with the supplied screws. Please see further instructions in the installation guide.
