

TOWER-3

socket | alulook |
Product code: 63171

A recessed power socket

LIMENTE TOWER-3 is a stylish pop-up power socket suitable for different spaces such as kitchens, offices and workstations. LIMENTE TOWER-3 can be popped in and out when it's in use or not needed.

The product consists of sockets for three plugs and a 2m power supply cable. LIMENTE TOWER-3 can be installed either vertically or horizontally.

Color choices

LIMENTE TOWER-3 is available in aluminium/black.

Installation

LIMENTE TOWER-3 is quick and easy to install. Make a hole on the surface (diameter 80mm), and attach from below with a nut. Electrical connections are done with the power supply cable supplied. Please note the need for a grounded power socket not more than 2 meters away and an installation depth of about 20cm. You do not need an electrician for installation of LIMENTE TOWER-3.

THE FOLLOWING ITEMS ARE INCLUDED

- triple socket
- 2m integrated power cord with plug
