

## LIFT-R

socket | brushed black

Product code: 63333

### A recessed power socket

LIFT is a stylish tower socket that is suitable for use in many different places, such as kitchens, offices, and workstations. Thanks to its compact size and minimalist design, it is very user-friendly and fits into all kinds of environments, both modern and classic.

The LIFT tower socket opens and closes with a soft and quiet motion, enhancing user comfort. Its refined appearance exudes quality and durability. Thanks to its protective cover, the socket is splash-proof (IP 54) when closed.

### Color options

The socket cover is available in the same color tones as the Desk-2 and Mono recess mounted sockets: stainless steel, brushed black, brushed gold, copper, tin, black glass, and white glass. For models with a wireless charger, the cover is either white or black.

### Installation

The LIFT tower socket is quick and easy to install.
