

SMART 320

wireless lightcontrol |

Product code: 640320

Wireless light control

The LIMENTE SMART 300 series is a simple and stylish solution for lightning control in the kitchen or elsewhere in a home. The lightning is controlled with remote controls and wall mounted switches that visually match the Jussi series. All of these have the ON/OFF function and dimming. You can also use several different controls and combine them according to your needs.

LIMENTE SMART 300 light control is composed of switch (remote control SMART 321, 322 or 324) that is ordered separately, as well as a dimmer (receiver SMART 320).
