LOTUS-180

nickel | (E27 | max 40W)
Product code: 65075

Lotus- pendant light – soft and timeless elegance

Lotus- pendant light enchants with its soft, spherical design, which brings harmonious balance and a stylish look to the space. Its clear and timeless design makes it the perfect choice both individually and in striking groups.

Available in a variety of trendy or classic shades, Lotus adapts to a wide range of interior styles and brings just the right atmosphere to your space. The lamp's pure white inner surface pleasantly reflects light around it. The textile-covered cord blends harmoniously with the shade of the ceiling canopy, completing a polished and stylish look.

Bulb, dimming and lighting control

If you wish to adjust the lighting, you must ensure that the separately purchased bulb and the dimmer used are compatible with each other. The pendant lamp does not impose any restrictions on lighting adjustment.

Installation

Installation is quick and easy. The package includes the lamp, a lamp plug, a ceiling canopy with an integrated power supply. The cord can be shortened to the desired length during installation or neatly gathered inside the canopy. The lamp is hung by attaching the hanging ring to the hook on the base, after which the plug is connected to the socket on the lamp cover and the ceiling canopy is attached in place.
