

LENOX

3000 K | brass | 280lm | CRI>90

Product code: 65252-1

A modern furniture light fixture

LIMENTE LENOX is a beautiful, traditional light fixture with a modern design. The light is wide-spread and pleasant, which makes LENOX an excellent choice for a kitchen workspace, in showcases and on shelves. The stainless-steel finish makes LENOX a modern, timeless choice. LIMENTE LENOX can be installed either recessed or surface-mounted. The high-quality, metallic fixture is available in matte white, matte black, stainless steel or brass color

All LIMENTE LENOX fixtures use a new technique, which makes the light provided even and excellent in color temperature. This generates optimal light and is easy and pleasant on the eyes. Due to their amazing luminosity, the fixtures can be placed up to 60-80cm apart! When the fixtures are placed on both sides of the cooker hood, you are able to receive excellent lighting to your cooktop.

Dimming and lighting control

Appropriate lighting for any occasion is made easy with our dimming and lighting control system. You can easily change the lighting and ambience in your home from efficient and bright to dim and cosy by dimming your LIMENTE LENOX with our wireless system. You can use the same switch to adjust all the LIMENTE lights in the room, including various ceiling, panel and profile lights. The light adjusts smoothly at the same time while creating ambience for working, entertaining or any mood in between.
