LILA 20

2m | 4000 K | aluminum | 140 led/m | 1300 lm/m | CRI>80
Product code: 682352

A versatile recessed profile fixture

LIMENTE LILA is a profile fixture for indirect lighting, which is especially pleasant when planning on illuminating via another surface. The fixture can be used e.g. in closets, when wanting to direct light toward the back wall of the closet. LILA is a recessed profile fixture, which is submerged into a surface. The profile is very small in size and, unlike other LIMENTE-profiles, LILA and LILO use an 8mm led strip.

LILA is a versatile fixture for working light and mood light. The fixture can be shortened to a desired length. The light is stylish and continuous with no connection points interrupting the light, which provides even light throughout the area.

Dimming and lighting control

Appropriate lighting for any occasion is made easy with our dimming and lighting control system. You can easily change the lighting and ambience in your home from efficient and bright to dim and cozy by dimming your LIMENTE LILA with our wireless system. You can use the same switch to adjust all the LIMENTE lights in the room, including various ceiling, panel and profile lights. The light adjusts smoothly at the same time while creating ambience for working, entertaining or any mood in between.
