A stylish profile fixture for indirect light with color temperature adjustment

LIMENTE UP IP44 CCT is a minimalistic and sleek wall light profile fixture that projects light up or down, depending on how the fixture is installed. The fixture is available in both black and white. LIMENTE UP is an excellent choice for both in residential and commercial projects or offices for indirect lighting. The fixture enables carrying out beautiful and stylish indirect lighting designs in different kinds of spaces.

UP is a surface-mounted light fixture, which means the only thing to take into consideration when installing is how to bring the power supply cord to the fixture. The led strip can be shortened to a desired length at 6,6 cm intervals, whereas the profile has a standard length of 2m and can be shortened to a desired length.
