### A stylish profile fixture for indirect light

LIMENTE UP IP44 B is a minimalistic and sleek wall light profile fixture that projects light up or down, depending on how the fixture is installed. The fixture is available in both black and white. LIMENTE UP is an excellent choice for both in residential and commercial projects or offices for indirect lighting. The fixture enables carrying out beautiful and stylish indirect lighting designs in different kinds of spaces.

UP is a surface-mounted light fixture, which means the only thing to take into consideration when installing is how to bring the power supply cord to the fixture. The led strip can be shortened to a desired length at 3,3 cm intervals, whereas the profile has a standard length of 2m and can be shortened to a desired length.

### Dimming and lighting control

Appropriate lighting for any occasion is made easy with our dimming and lighting control system. You can easily change the lighting and ambience in your home from efficient and bright to dim and cozy by dimming your LIMENTE UP IP44 B with our wireless system. You can use the same switch to adjust all the LIMENTE lights in the room, including various ceiling, panel and profile lights. The light adjusts smoothly at the same time while creating ambience for working, entertaining or any mood in between.
